FROM THE PRESIDENT'S DESK JONE W.

Hard to believe that this time has arrived. This is my last President's Message as my two-year term is nearing an end. It has been an informative and rewarding time for me, having learned a great deal about our club's national and provincial operations and our local practices. It has been a pleasure to work with the wonderful and fabulous women of our club. A very special thank you to our dedicated executive members who needed no guidance from me in performing their roles so effectively.

Our AGM and Potluck is a few days away. I hope that each of you will join us for our year-end finale where we wrap up our events of the year and elect our new executive. National awards will be presented to two of our members. This year's scholarship winners have been invited to attend.

Since CFUW is celebrating its 100th anniversary, as this year's theme, we chose Special Canadian Women. We invite you to wear a name tag for a Canadian woman that you admire, whether famous or

just known to you. You can also wear some clothing or accessory representing your selected woman, her profession or her era.

I have compiled a list of some Canadian pioneering and leading women that I was able to research. I must admit that it took a while. It was difficult to find information in some categories. Hopefully, you are aware of more great women. Let's all support and encourage women making a difference. For the June 5 meeting: read two Harlequin romances. Pick any more traditional genre that has been around for several decades (not erotica, LBGT etc.). Your choice. Read an early and later published example of the genre. It might be difficult to find an early (1980s) book. If so just read something published since 2016.
